

terminate the services of the company through a notice to that effect before the effective date of such change. However, in the event the customer fails to terminate the service of the company, the new costs shall be valid effective the date specified by the company on the notice to the customer.

In the event the customer makes any adjustments, changes or additions in equipment included in this agreement, which changes the company deems either to make change in services rendered by the company under this agreement, or affect the performance of the equipment, and then company shall be entitled to terminate this agreement or increase the costs/ rates included hereunder. In case the costs sustained by the company under this agreement should increase after the date of effectiveness due to any change in the law, action or due to internal decrees issued or put in operation after the effective date of this agreement, such extra/ additional costs shall be added to the costs specified in agreement.

Any other conditions of this agreement, including the term thereof, which may be affected by such changes, shall be appropriately amended within any law, jurisdiction or otherwise. In case a petition is submitted to a receiver, bankruptcy or violation to any of the terms of the agreement by the customer, which violation is not duly remedied, then the company is entitled, on own discretion, to declare the customer in default, and accordingly take the following measures:

1. To declare that all amounts are due and payable under the agreement.
2. File claim for application of agreement terms or recover damage due to violation of agreement.

### **Limits of liabilities and obligations**

The company shall in no way be liable for any damage to first party or his patients because of the equipment, whether such damages are special, contingent or partial, due to violation of contract, security or tort (including default, debts and obligations), including the following without limitation: loss of equipment use or any other related equipment, damage of equipment related to basic equipment, loss of capital costs, value of alternative products, facilities, services, power as well as costs of temporary stoppage of equipment and any claims by the customer for such damage.

In the event company provides any consultation or assistance to customer in relation to any equipment covered by the agreement, while such consultation and assistance is not included in agreement, or in case such consultation or assistance is related to equipment not referred to in this agreement, then this consultation or assistance shall not involve the company in any responsibility whether in contract, security or in cause of damage or injury (including negligence, debts and obligations).

#### Covering of information:

The information, proposals and ideas conveyed from customer to company in relation to performance of services under this contract shall not be considered as secrets or confidential unless expressly proved in writing upon approval of the official representative of the company.

### General note

This agreement is considered to be the complete and exclusive statement between the parties and therefore supersedes all prior or concurrent proposals or communications regarding the agreement or any other business not included hereunder shall not be binding on parties. Any assignment, change or amendment in conditions contained herein shall not be binding on company unless rendered in writing and signed by the duly authorized representative of
